

Probe Scientific Limited – How to find us

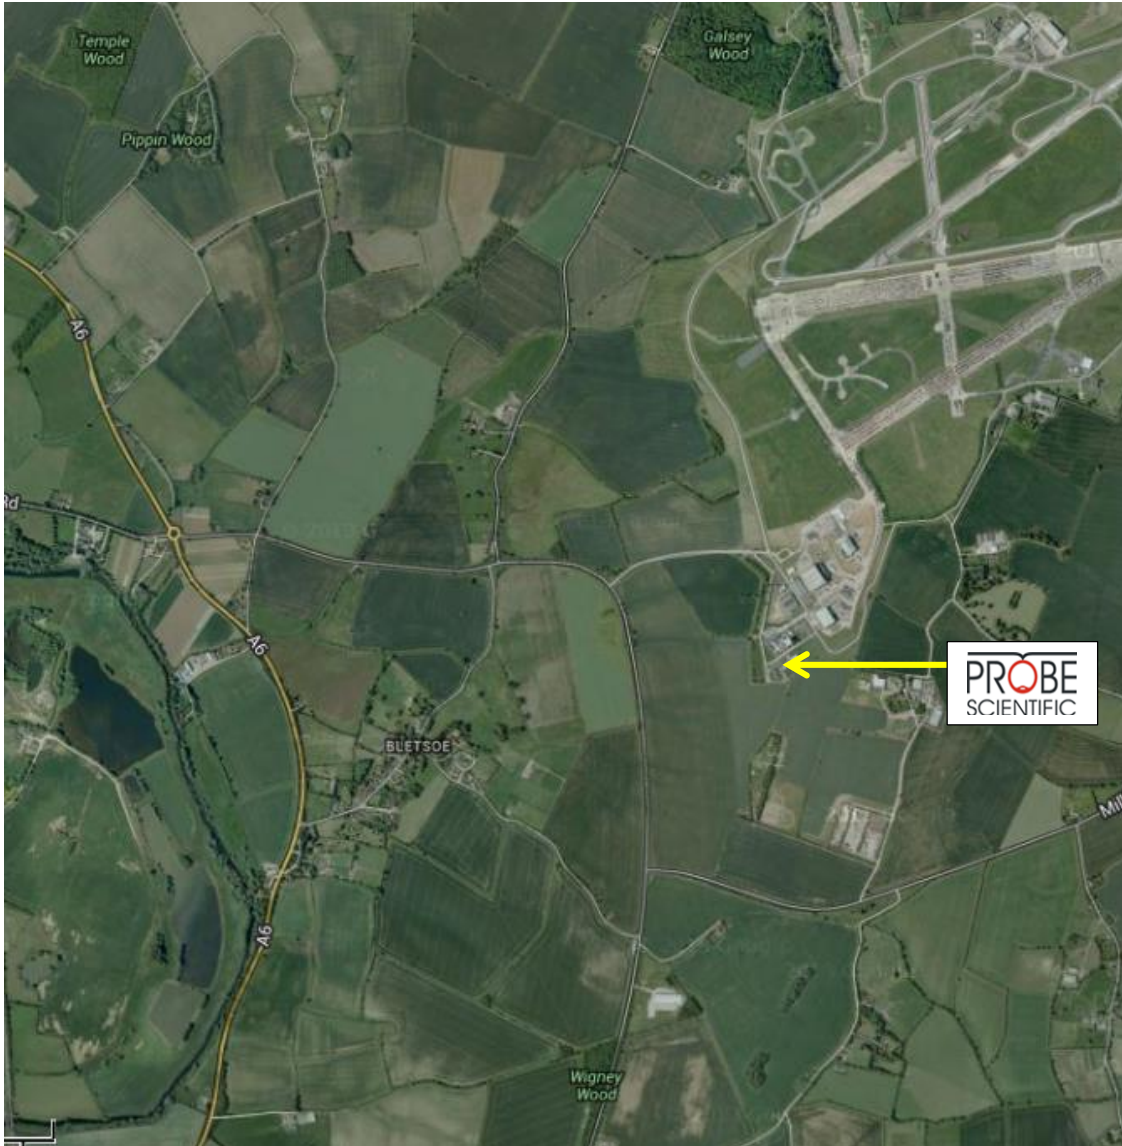

Our main site for Research and Development and the site for goods delivery is;

**Probe Scientific Limited, Building 115
Bedford Technology Park, Thurleigh, Bedford, MK44 2YP UK**

Office main No.: +44 (0)1234 780152, Lab Tel: +44 (0)1234 780159
www.probescientific.com

**Thurleigh is a village in North Bedfordshire, England, about 6 miles (10 km)
North of the county town of Bedford.**

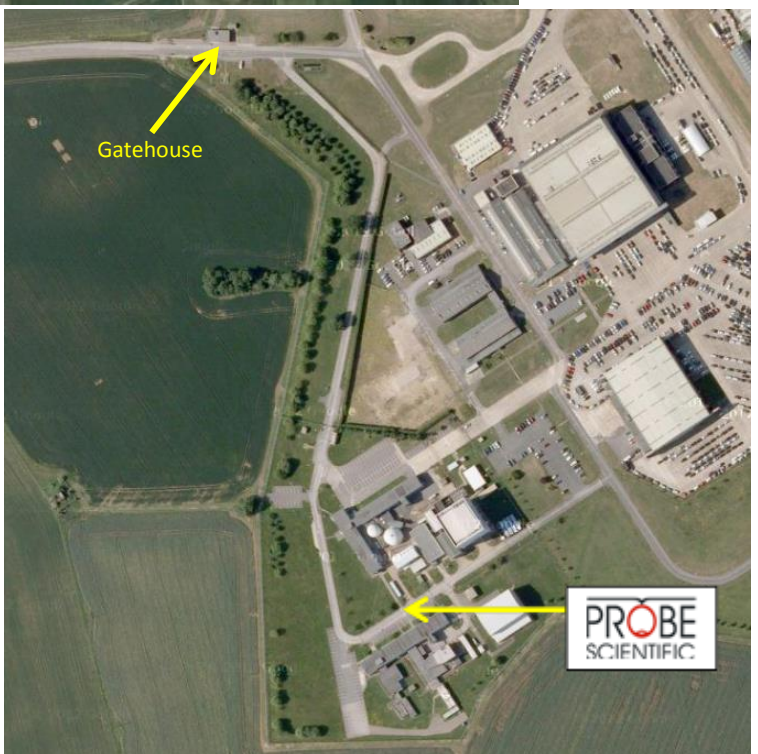

The entrance to Bedford Technology Park is marked by a large sign for Palmer Sports which is located on the Bedford Autodrome. Proceed through the gatehouse and take the first right (about 50 metres) marked as 'Millennium Studios'. Go past the two-story grey building and find parking directly in front of Probe's building, or to the right.

The nearest train station is Bedford (20 minutes). There is a taxi rank immediately outside Bedford Station. The nearest major airport is London Luton Airport (LTN / EGGW) about 30 miles to the south. London Stansted Airport is 60 miles south-east (1 hour 20 minutes by car). London Heathrow Airport is 70 miles south (about 1 hour 30 minutes by car out of rush hour).

Some SatNav systems are inaccurate when using the post code.

Head Office

Probe Scientific Limited also has a Head Office at The Venture Centre, Coventry CV4 7EZ UK
